		Outline of the Syllabus	The MBA syllabus is designed to provide a comprehensive learning experience, where the learner must complete 12 Discipline Core (DC) courses focused on key areas of Management and allied disciplines. Additionally, the program includes 2 Ability Enhancement Compulsory (AC) courses to build essential skills and knowledge, and 2 Skill Enhancement Compulsory (SC) courses to develop practical competencies required in the field. A major component of the program is a Dissertation/Project, which allows learners to apply theoretical knowledge to real-world situations. Furthermore, learners have the option to choose a stream of electives from three streams offered by the university, enabling them to specialize in an area of their interest. From the chosen stream, learners are required to complete 3 Discipline-Specific Elective courses, providing focused expertise in their selected field.
